List of Demands for San Diego City Council

December 9, 2014

- A. Special Prosecutor for All Deadly Force Cases: We believe that a special prosecutor must be appointed in every incident that involves an officer's use of deadly force.
 - a. Establish local measures necessitating the appointment of a special prosecutor in any case wherein a police officer used deadly force.
- B. Police Held Accountable for Use of Deadly Force: We believe that officers should be accountable for the use of deadly force in every encounter.
 - a. Establish local measures establishing clear process for the response to any officer involved deadly-force situation wherein including collection of facts, establishing timeline and all issues related to release of information.
 - b. Establish local measures mandating the release of the name of each police officer involved in an incident wherein deadly force was used within 48 hours of the incident.
 - c. Establish local measures requiring an annual report on the use of deadly force by all San Diego Police Departments.
- C. Representative Police Force and Intentional Officer Training: We believe that a police force should be representative of those citizens that it is designed to serve and protect.
 - a. Develop San Diego County wide sensitivity training program for all districts and the City
 - b. Develop local diversity recruiting plan for all law enforcement roles and remove non-violent crimes, child support, and instances such as juvenile records as disqualifying actions for law enforcement eligibility.
 - c. End practice of allowing police officers fired from one municipality for cause from working in any other San Diego County capacity.
- D. Comprehensive Review of Systemic Abuses by Local Police Departments: We believe that there is systemic and structural racism present in policing practices nationwide and that these practices undermine the foundation of democracy.
 - a. Comprehensive review by the council of abuses by local police departments.
 - b. Development of use of force standards and accompanying training best practices, and standards for the use of excessive force.
 - c. Comprehensive local review of police departments' data collection that allows for reporting on the rates of stops, frisks, searches, summonses and arrests by race, age, and gender.
- E. End Over Policing and Abusive Use of Force.
 - a. Establish a Police Oversight Committee in San Diego City and San Diego County with a range of real power, including that of being able to remove officers from duty
 - b. Enforce strict limits on the transfer and use of military equipment to local law enforcement and adopt the Stop Militarizing Law Enforcement Act of 2014.
